1,461,010 It is seen that the area of Kansas is ninetsen thousand square miles greater than that of all New England, New York, and New Jersey and that the area of Nebraska is ninety-five thousand thiles greater than that of all the non slaveholding states except California. Oregon is nearly equal in extent to all New England, New York, Pennsylvanis, Ohio, and Indiana. It is possible that New Mexico and Mesilla will be embraced in one territorial organization by Congress at the present session, containing 289,000 square indice—exceeding all New England, New York, Pennsylvanis, Ohio, Indiana, and Illuois. Washington exceeds in extent all New England and New York.
